

The yield curve

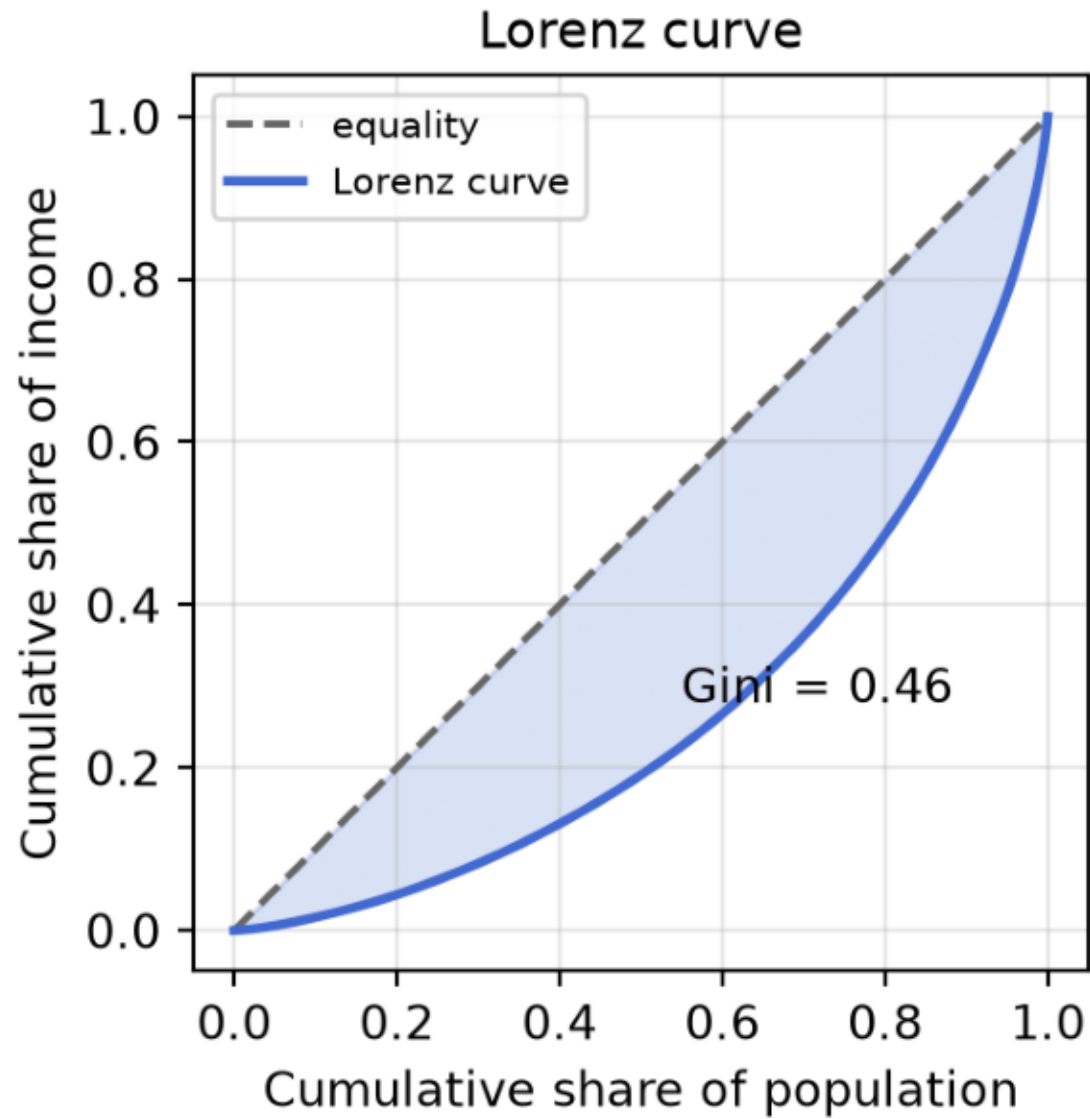

What is the claim? · Who is it for? · What could mislead?

A reaction energy diagram

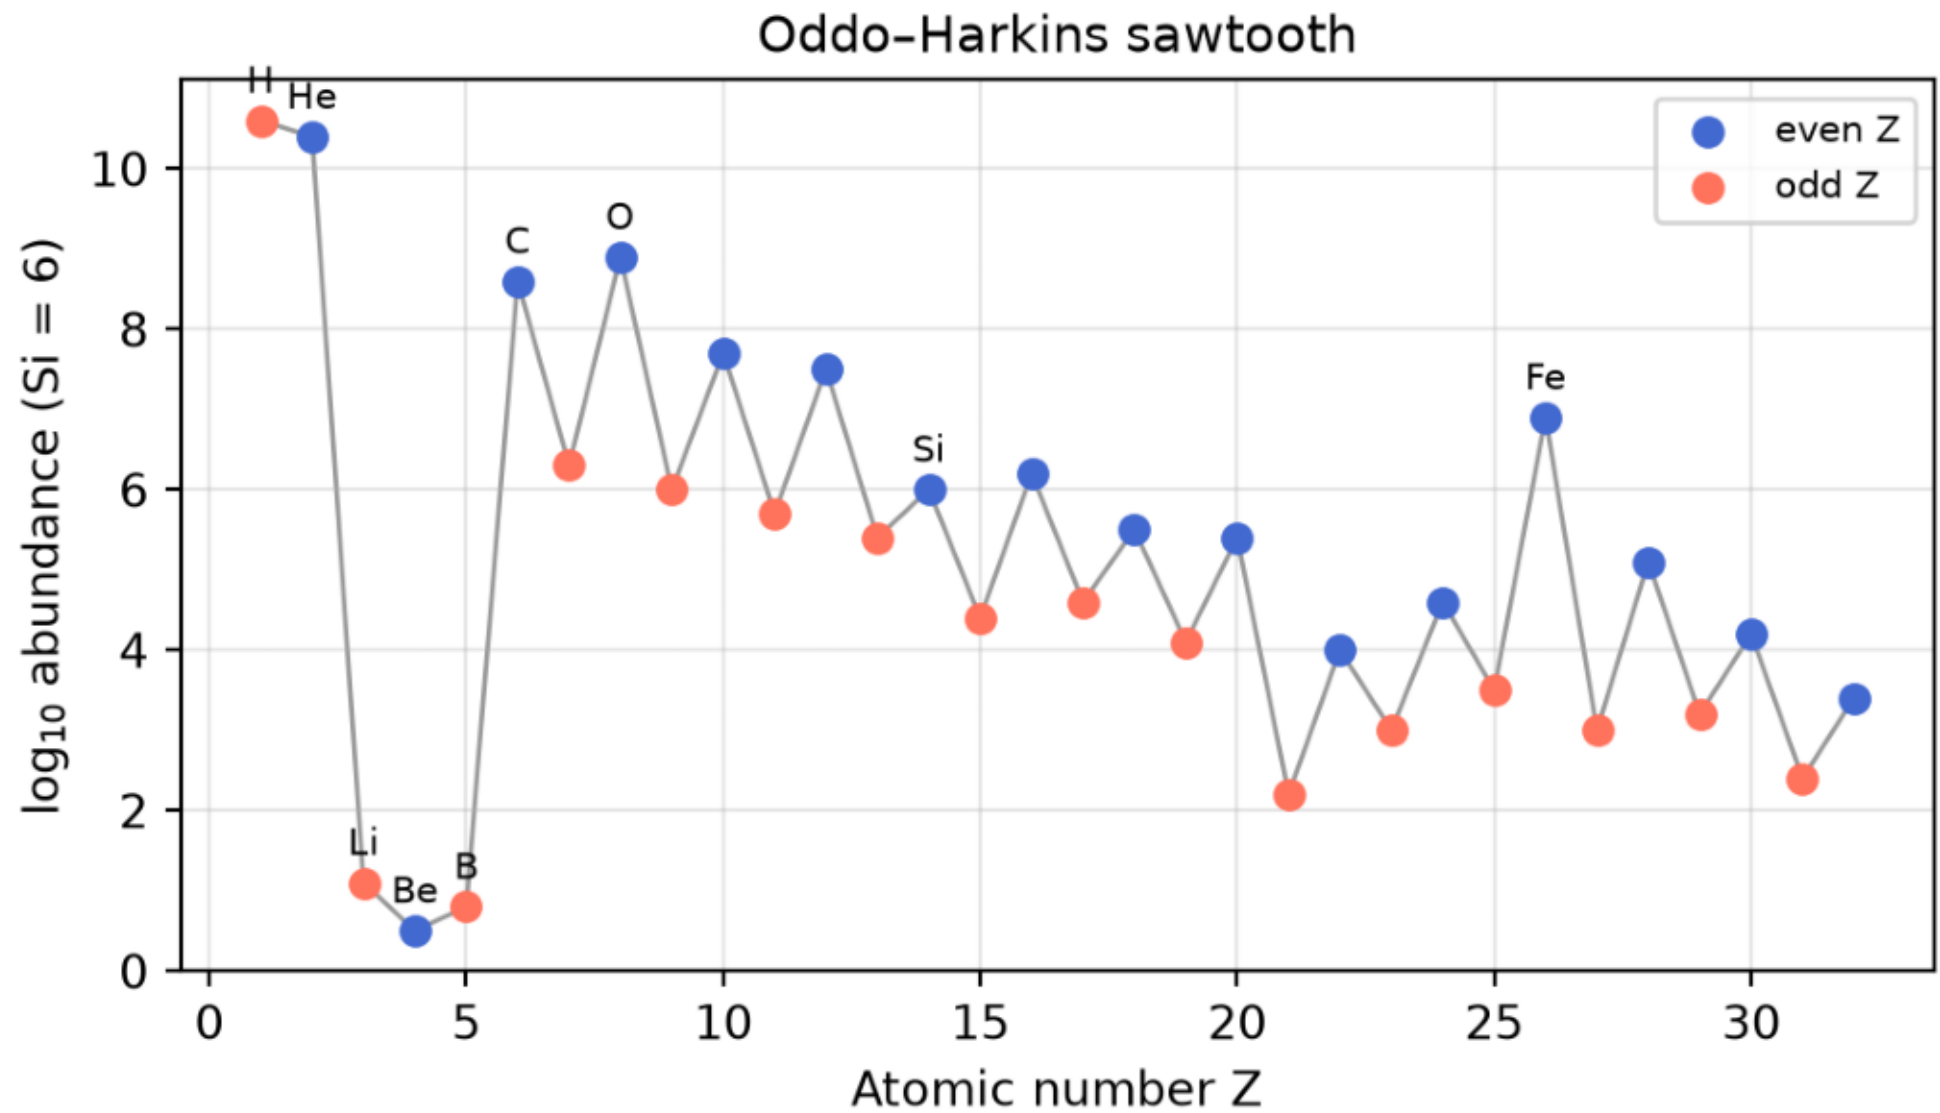

What is the claim? · Who is it for? · What could mislead?

The Lorenz curve

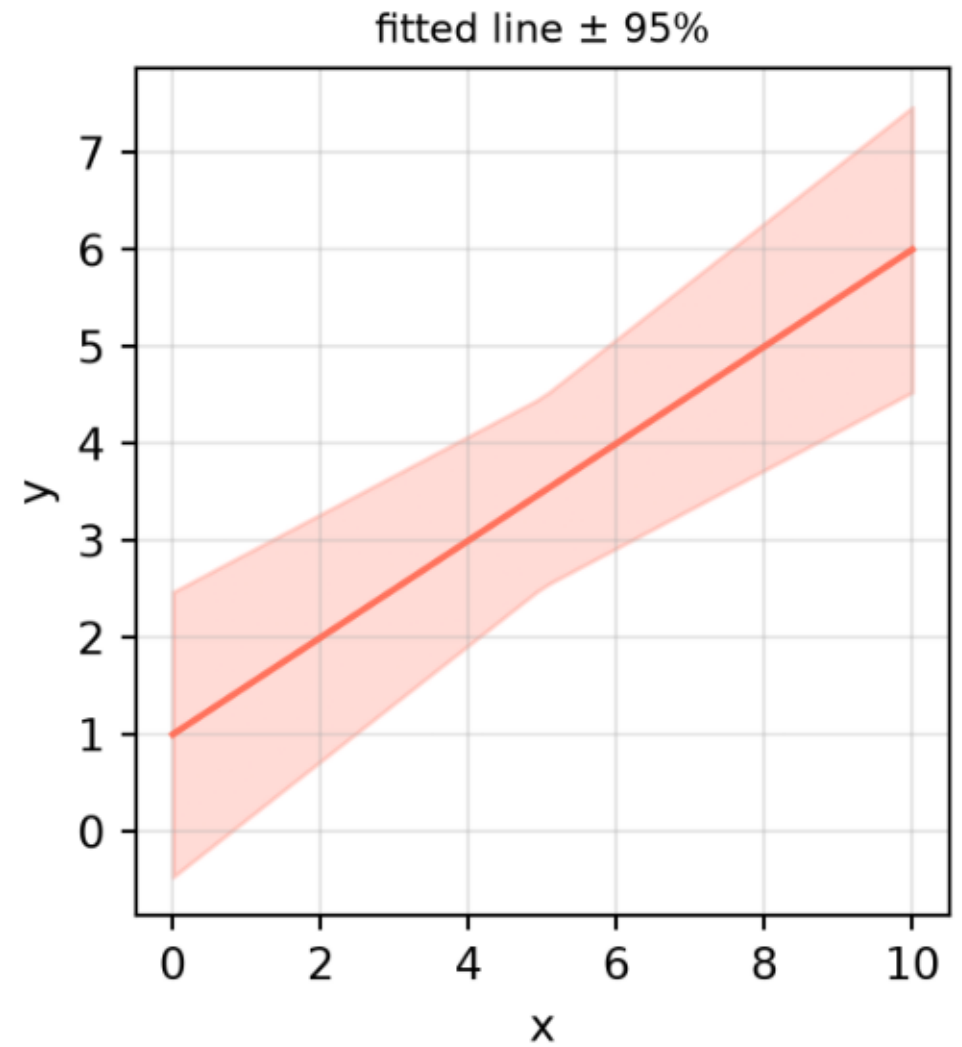

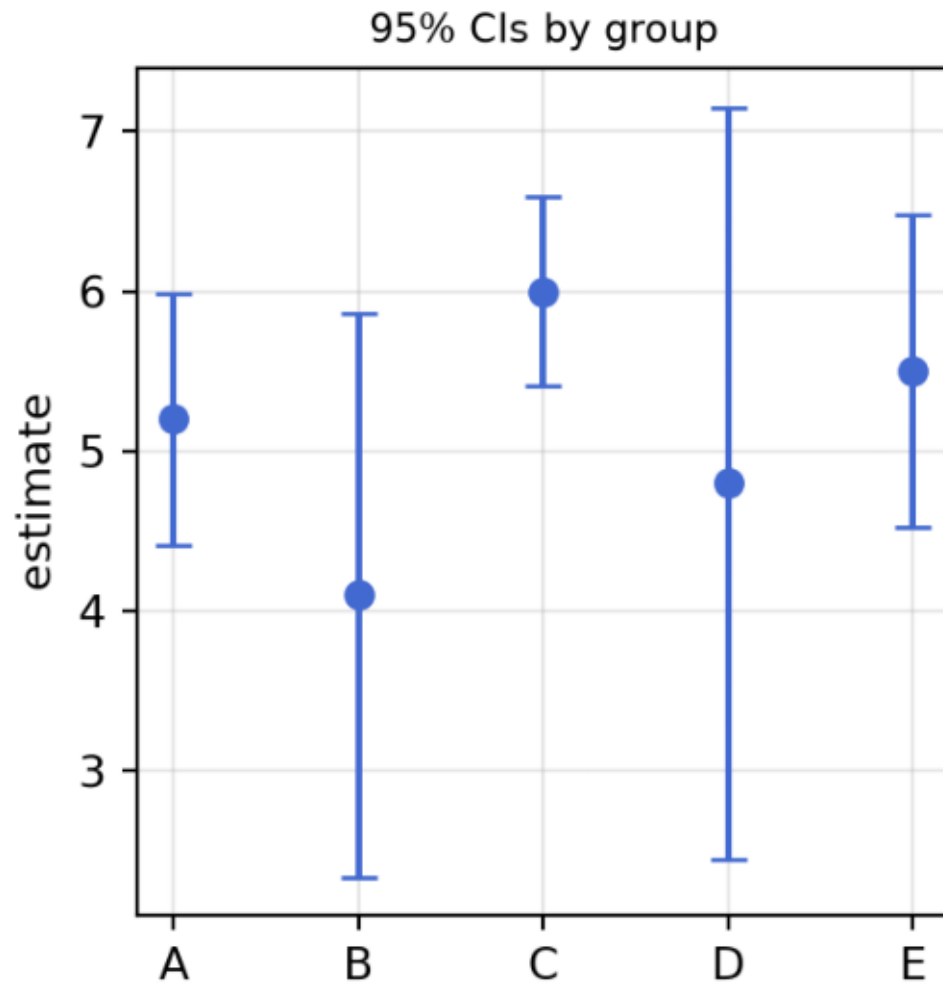

What is the claim? · Who is it for? · What could mislead?

Cosmic abundance of the elements

What is the claim? · Who is it for? · What could mislead?

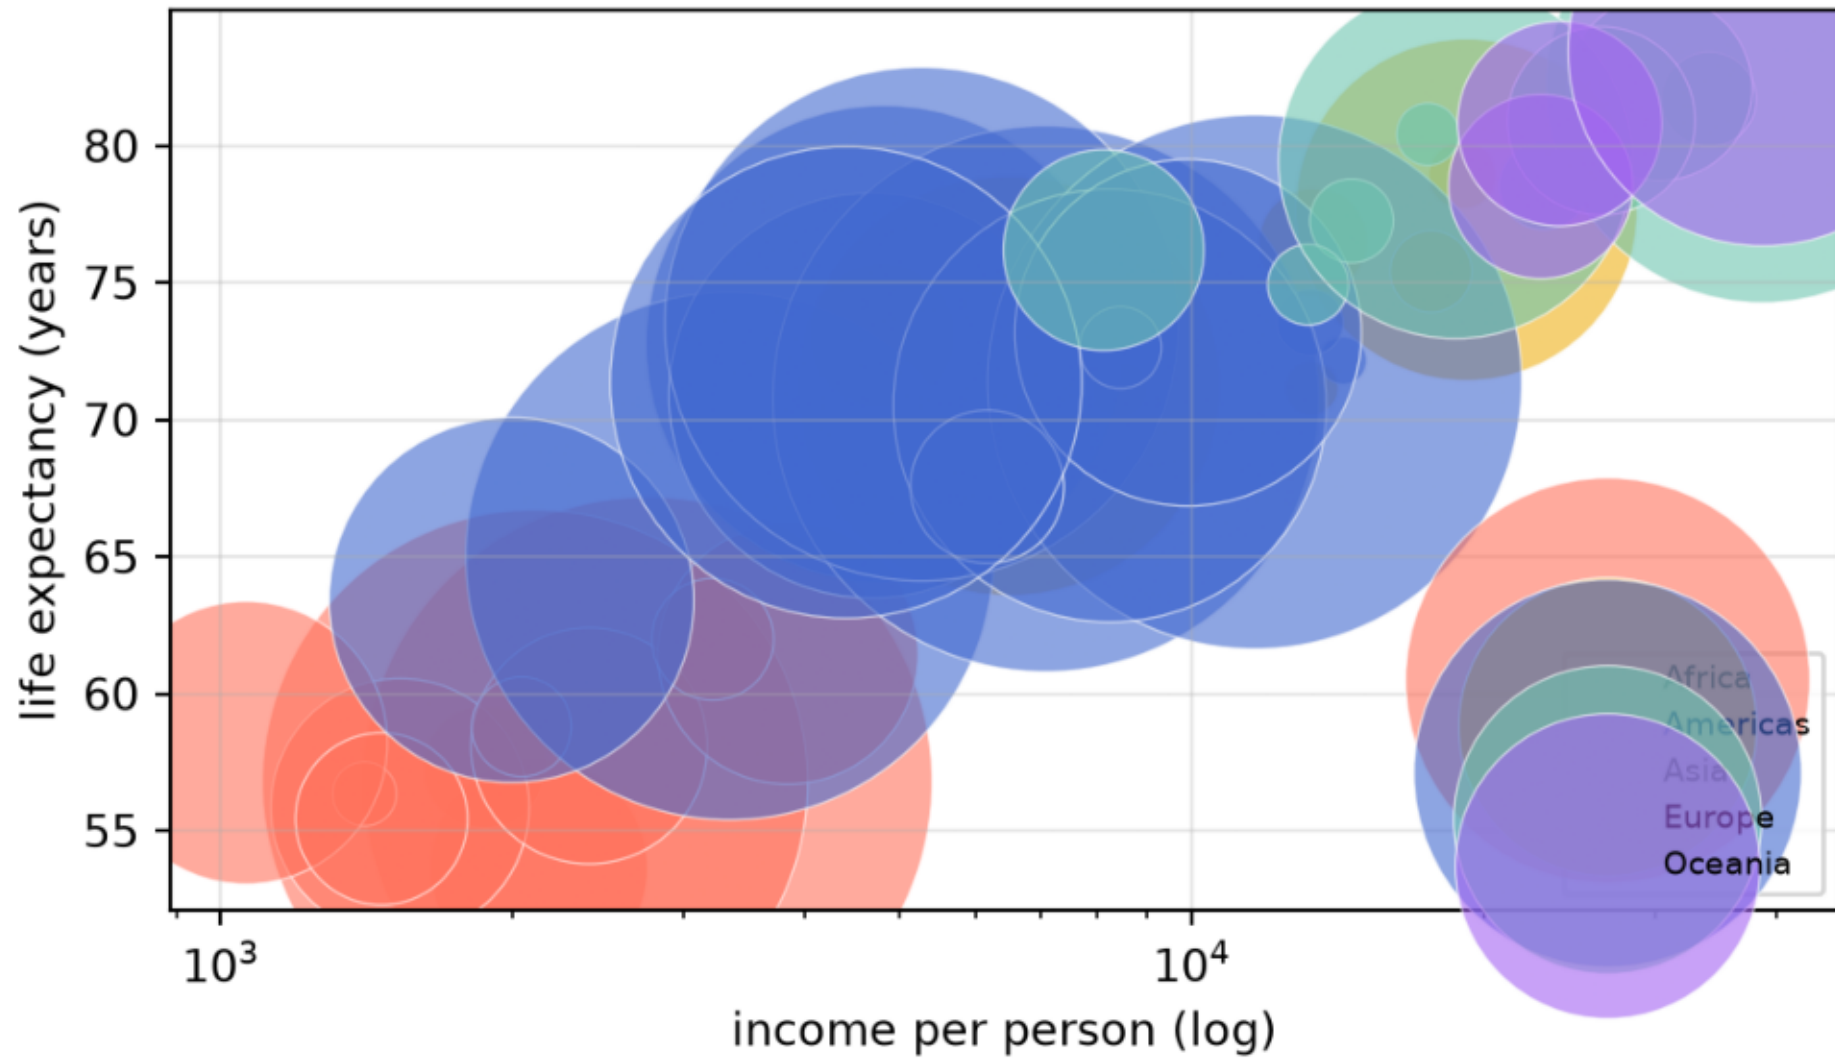

Estimates with error bars

What is the claim? · Who is it for? · What could mislead?

Health and wealth of nations

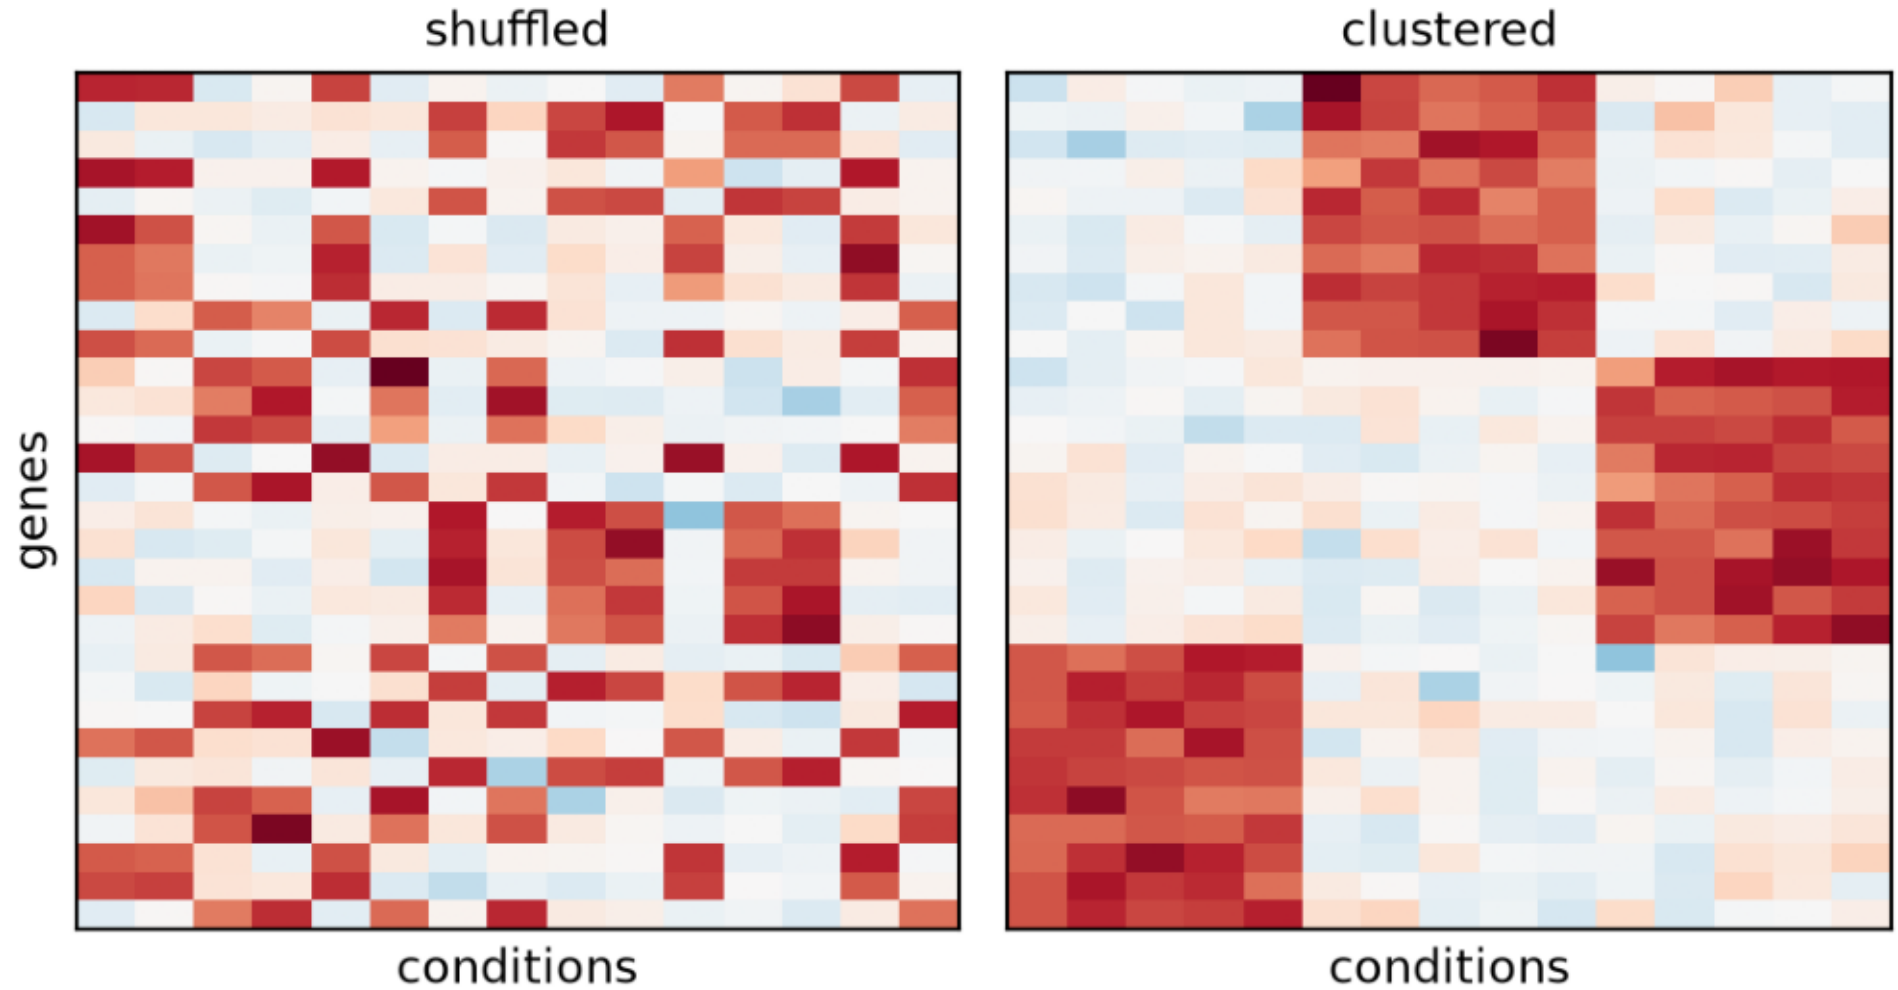

Gapminder bubbles — one year

What is the claim? · Who is it for? · What could mislead?

A clustered heatmap

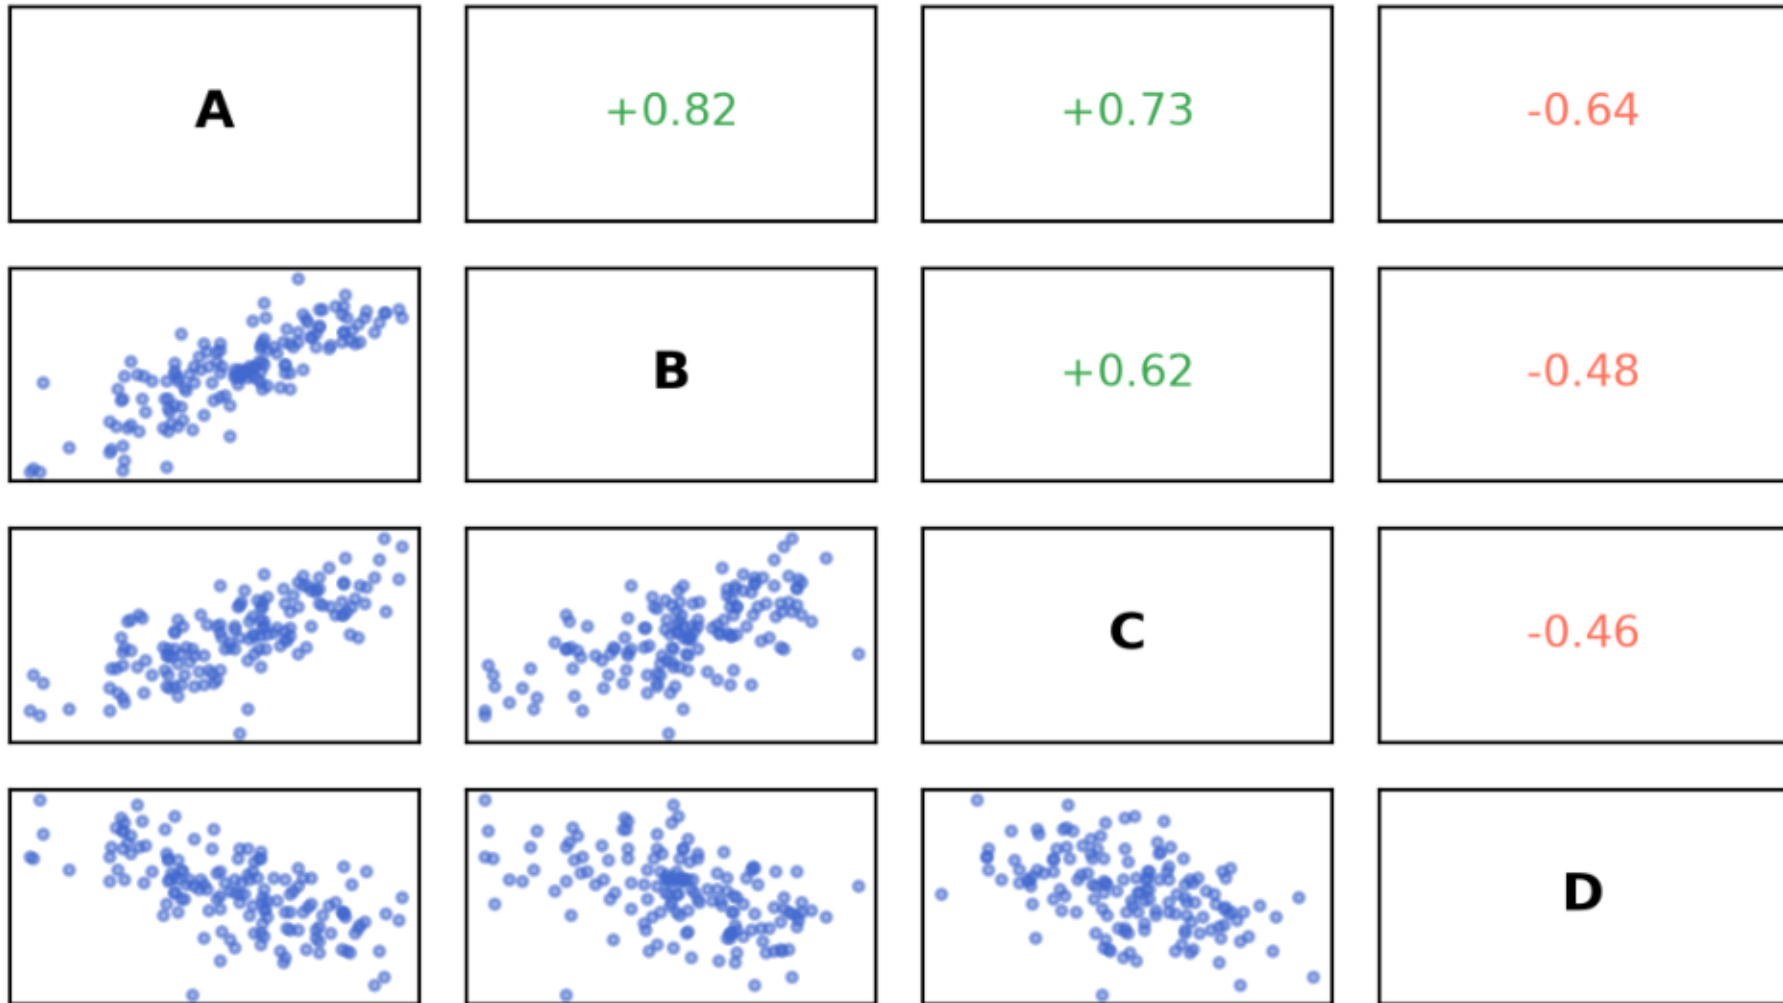

Reorder and the clusters appear

What is the claim? · Who is it for? · What could mislead?

A scatterplot matrix

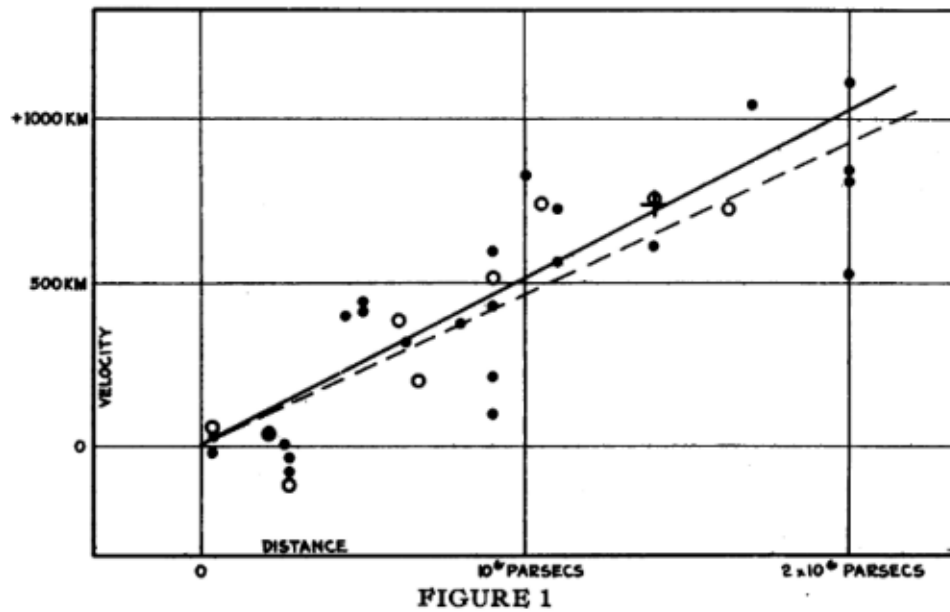

Scatterplot matrix (SPLOM)

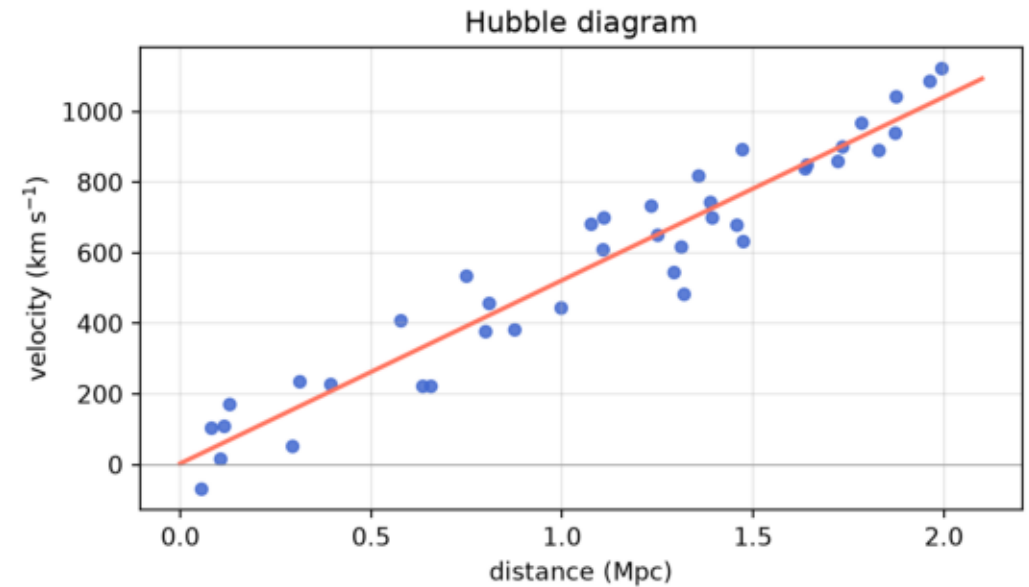

What is the claim? · Who is it for? · What could mislead?

The Hubble diagram

original, Hubble (1929), public domain

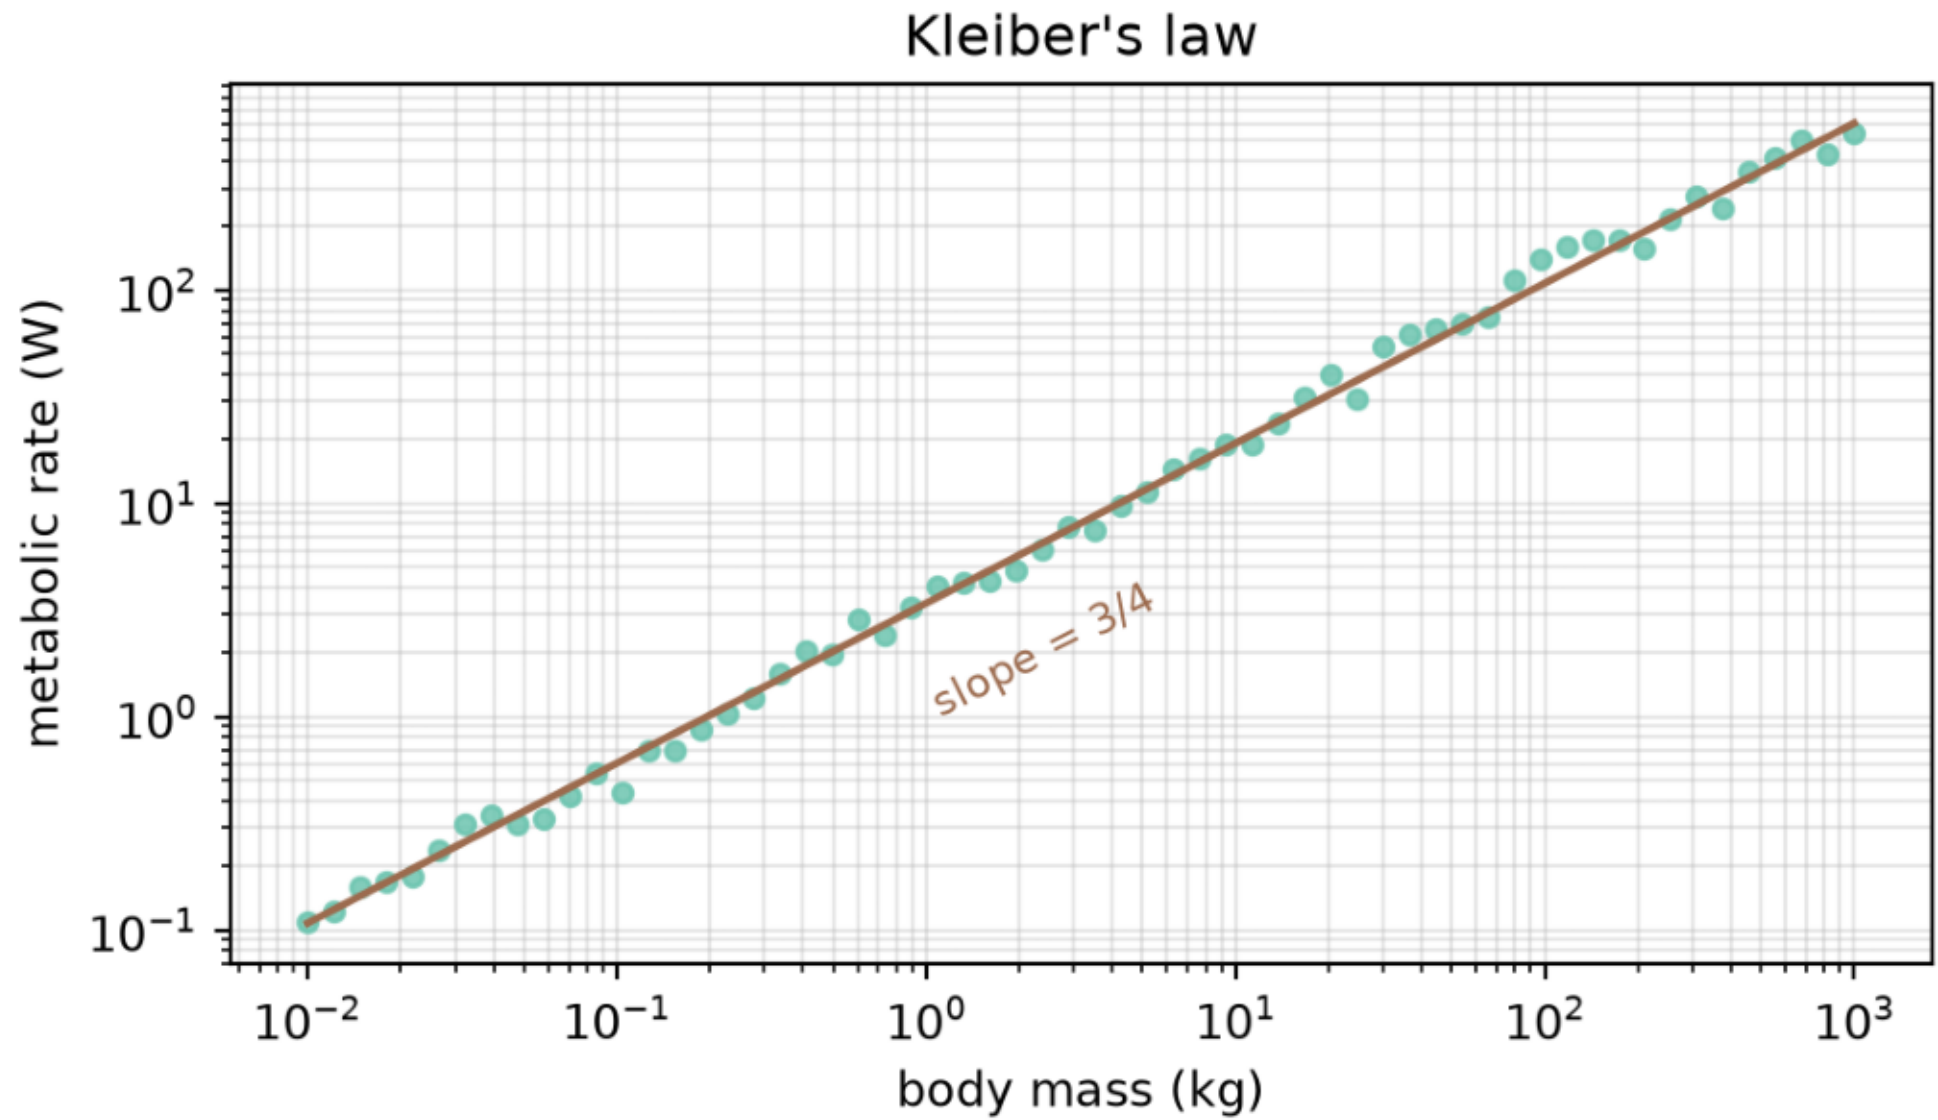

course reproduction, generated from data

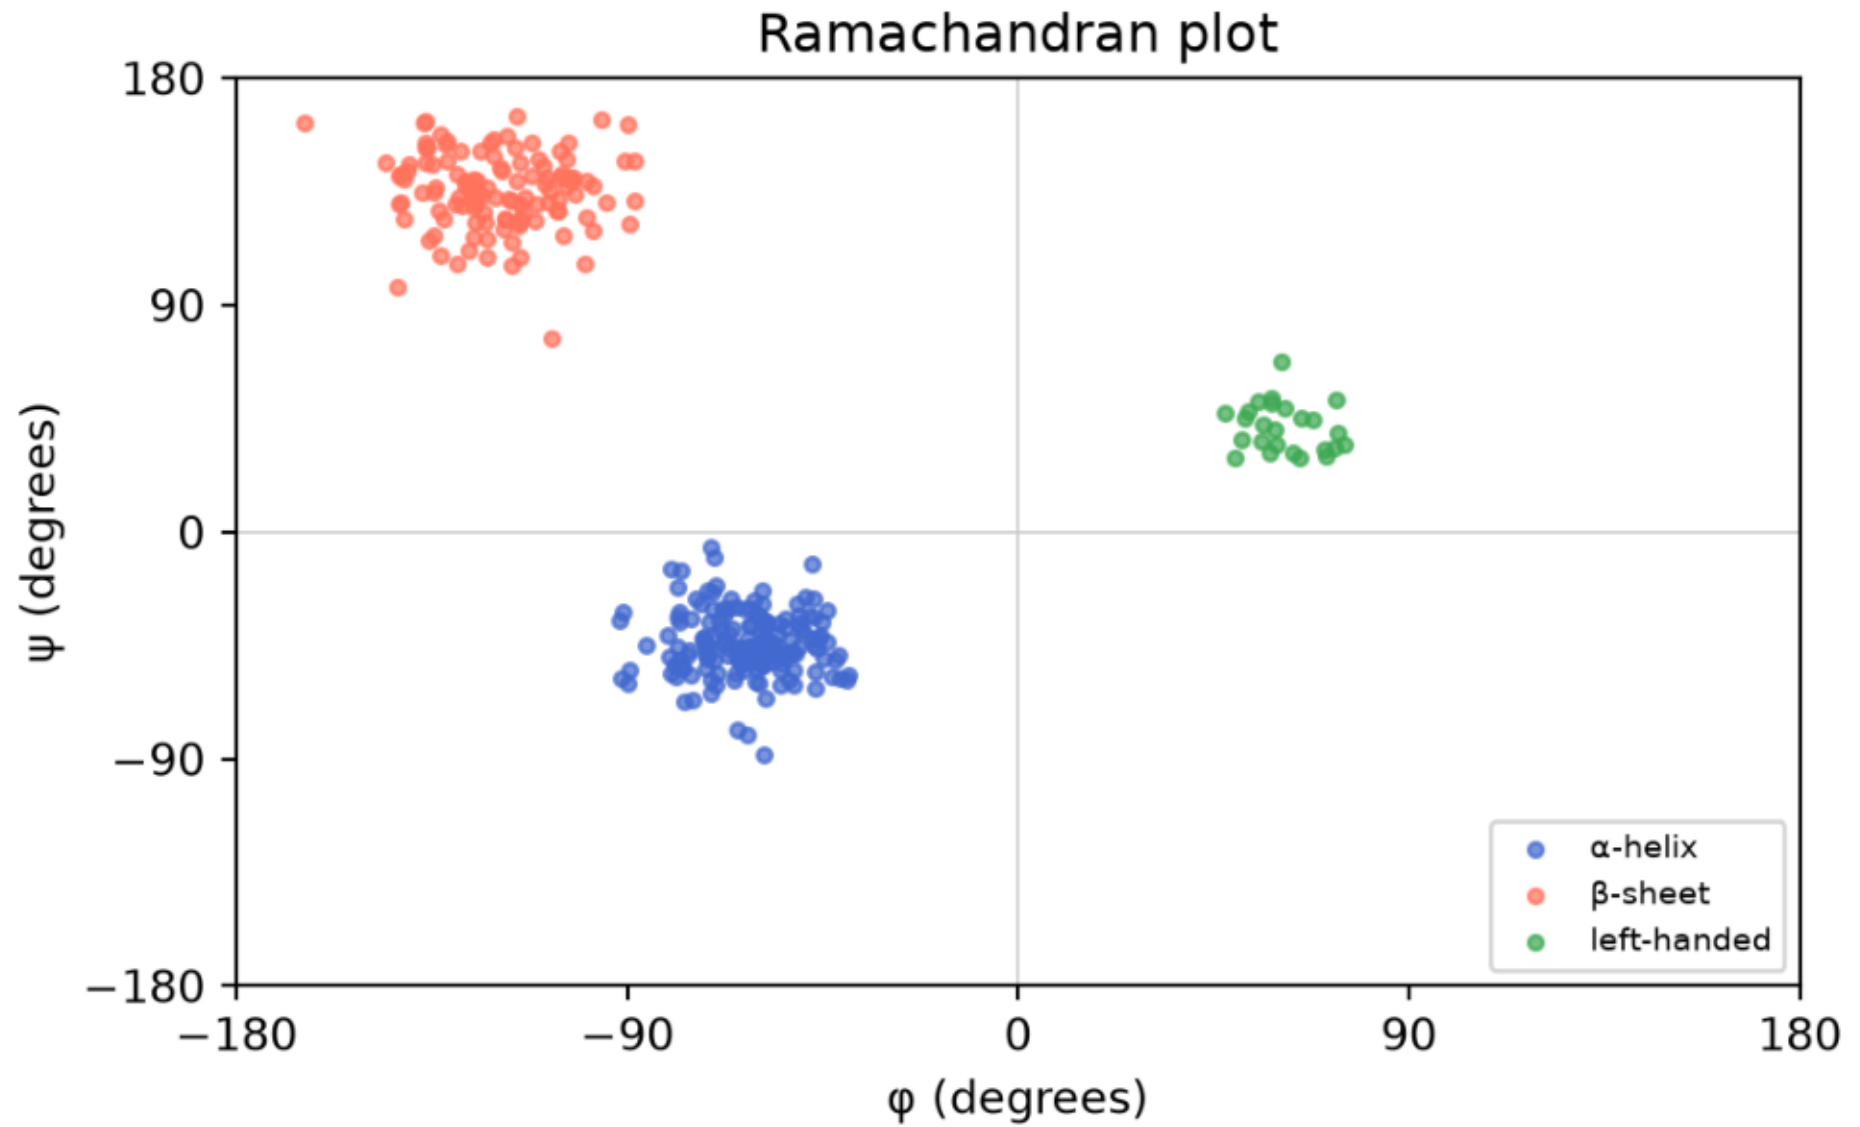

What is the claim? · Who is it for? · What could mislead?

Kleiber's law

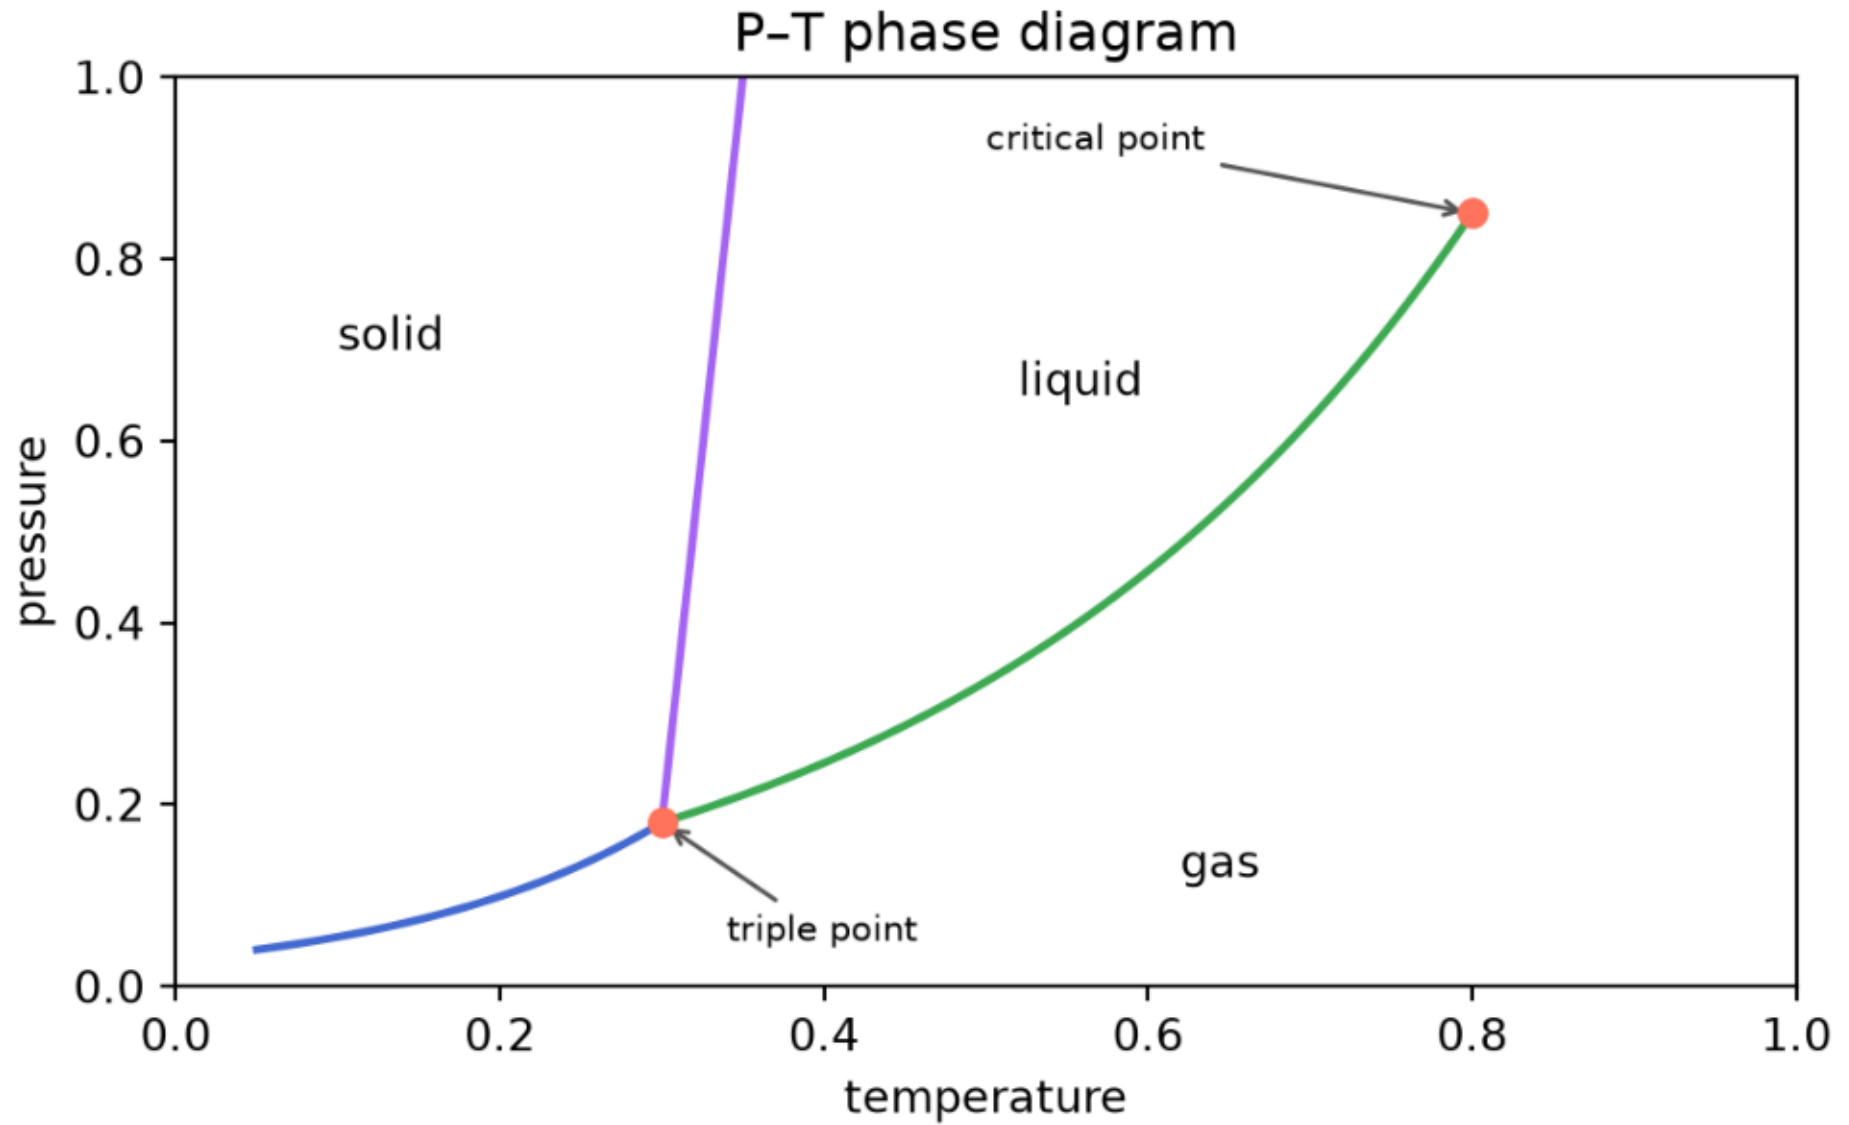

What is the claim? · Who is it for? · What could mislead?

The Ramachandran plot

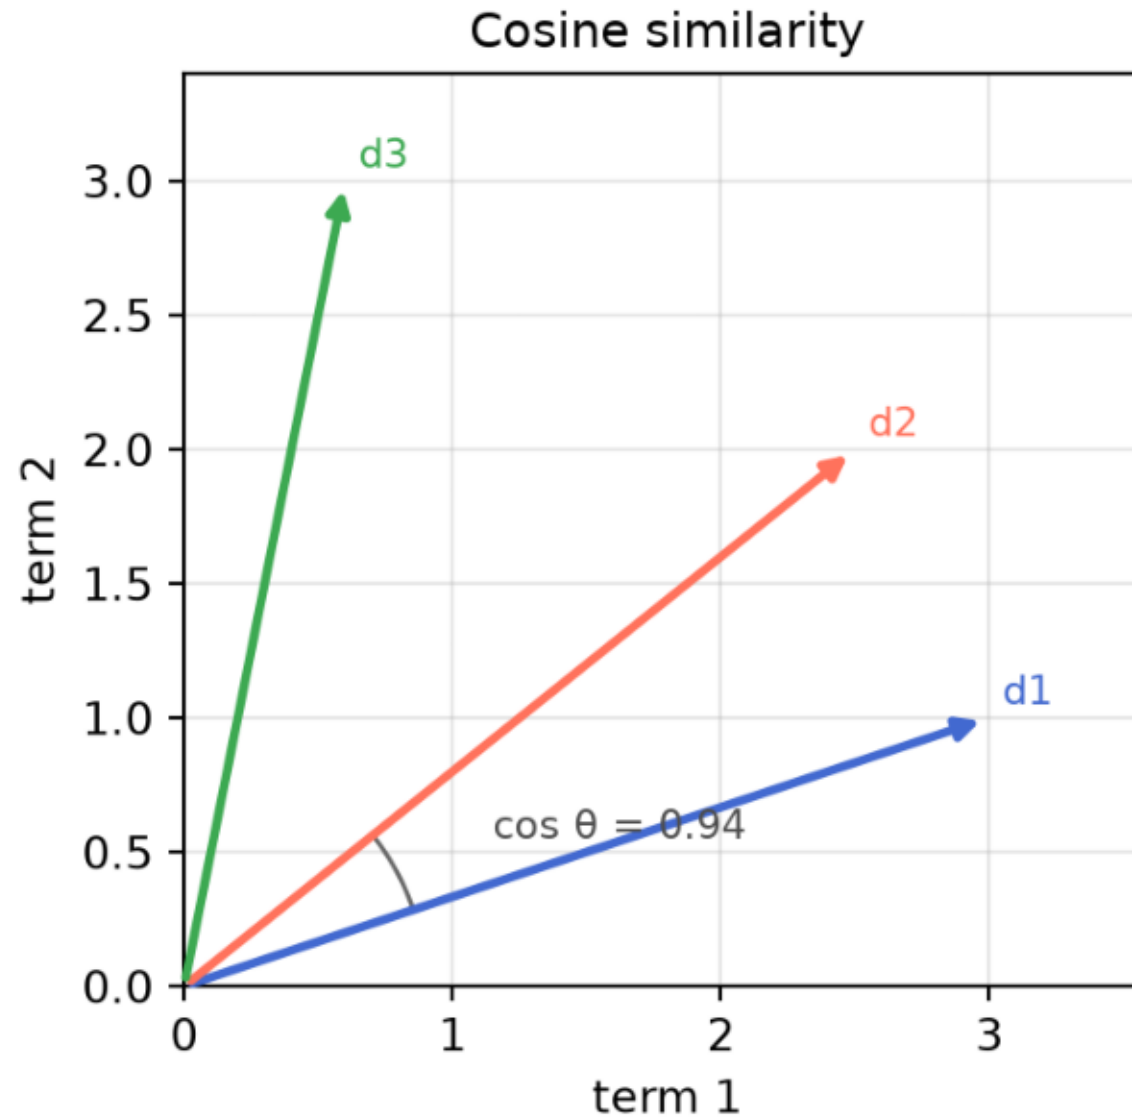

What is the claim? · Who is it for? · What could mislead?

A pressure-temperature phase diagram

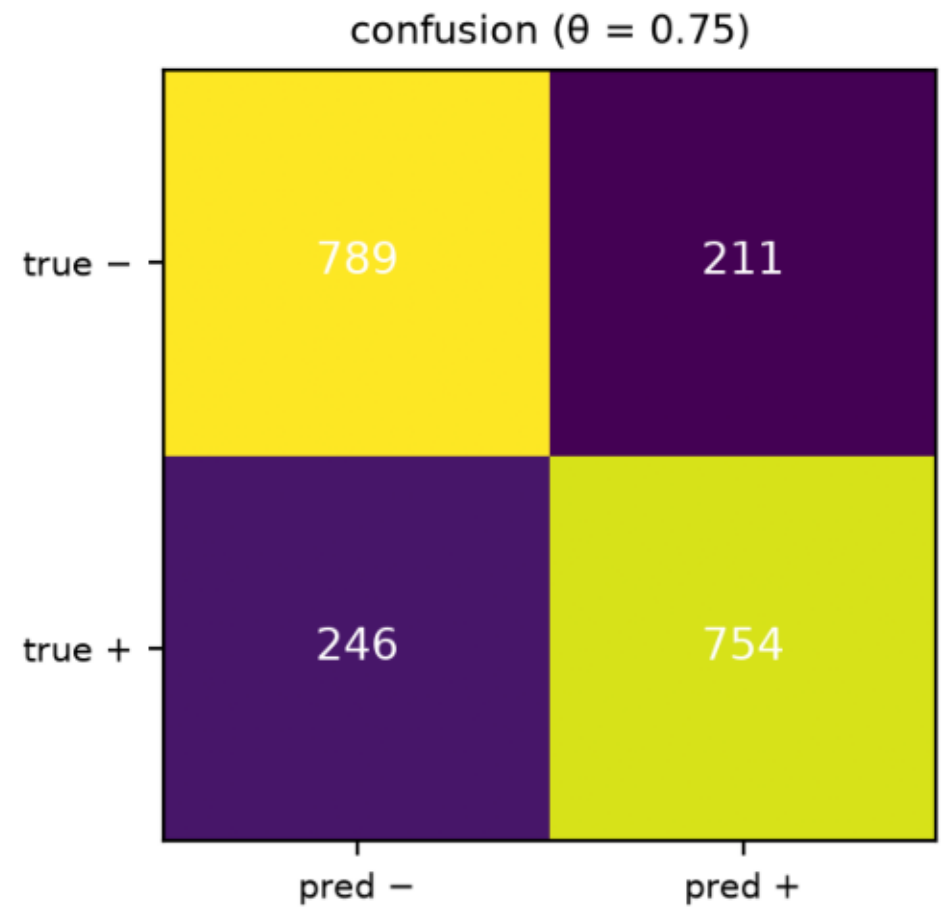

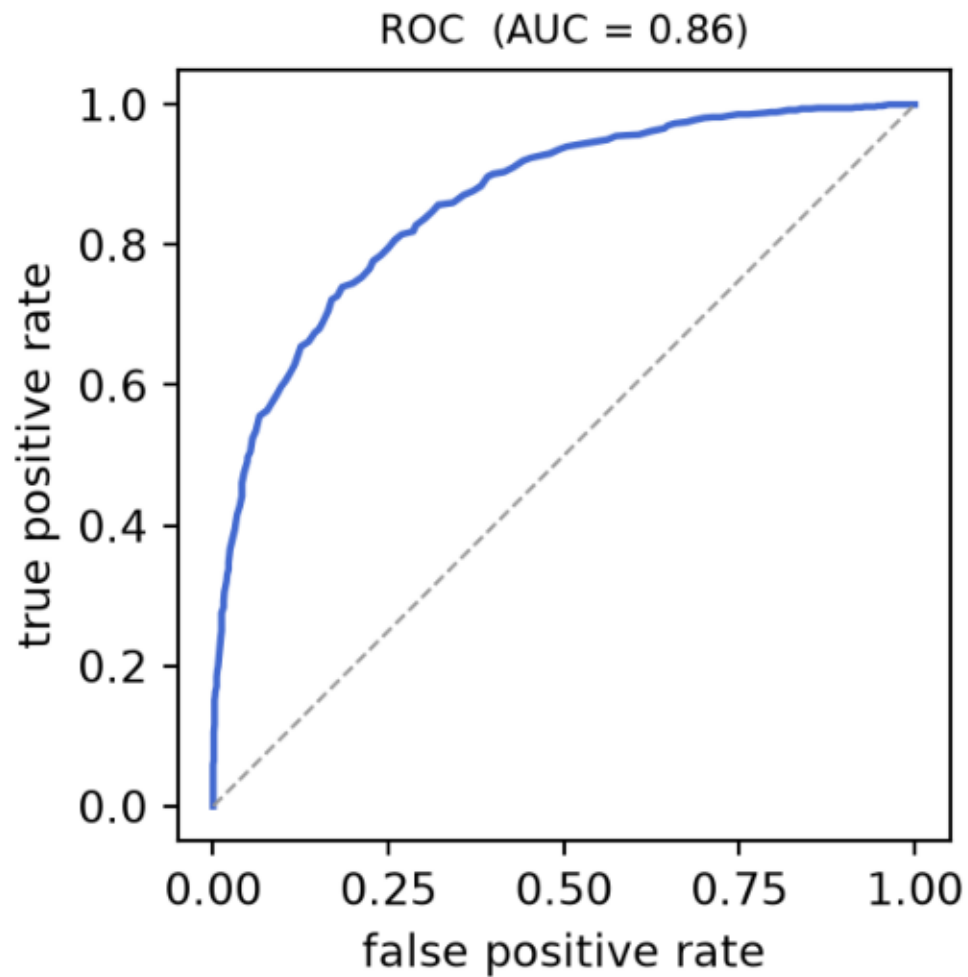

What is the claim? · Who is it for? · What could mislead?

Cosine similarity

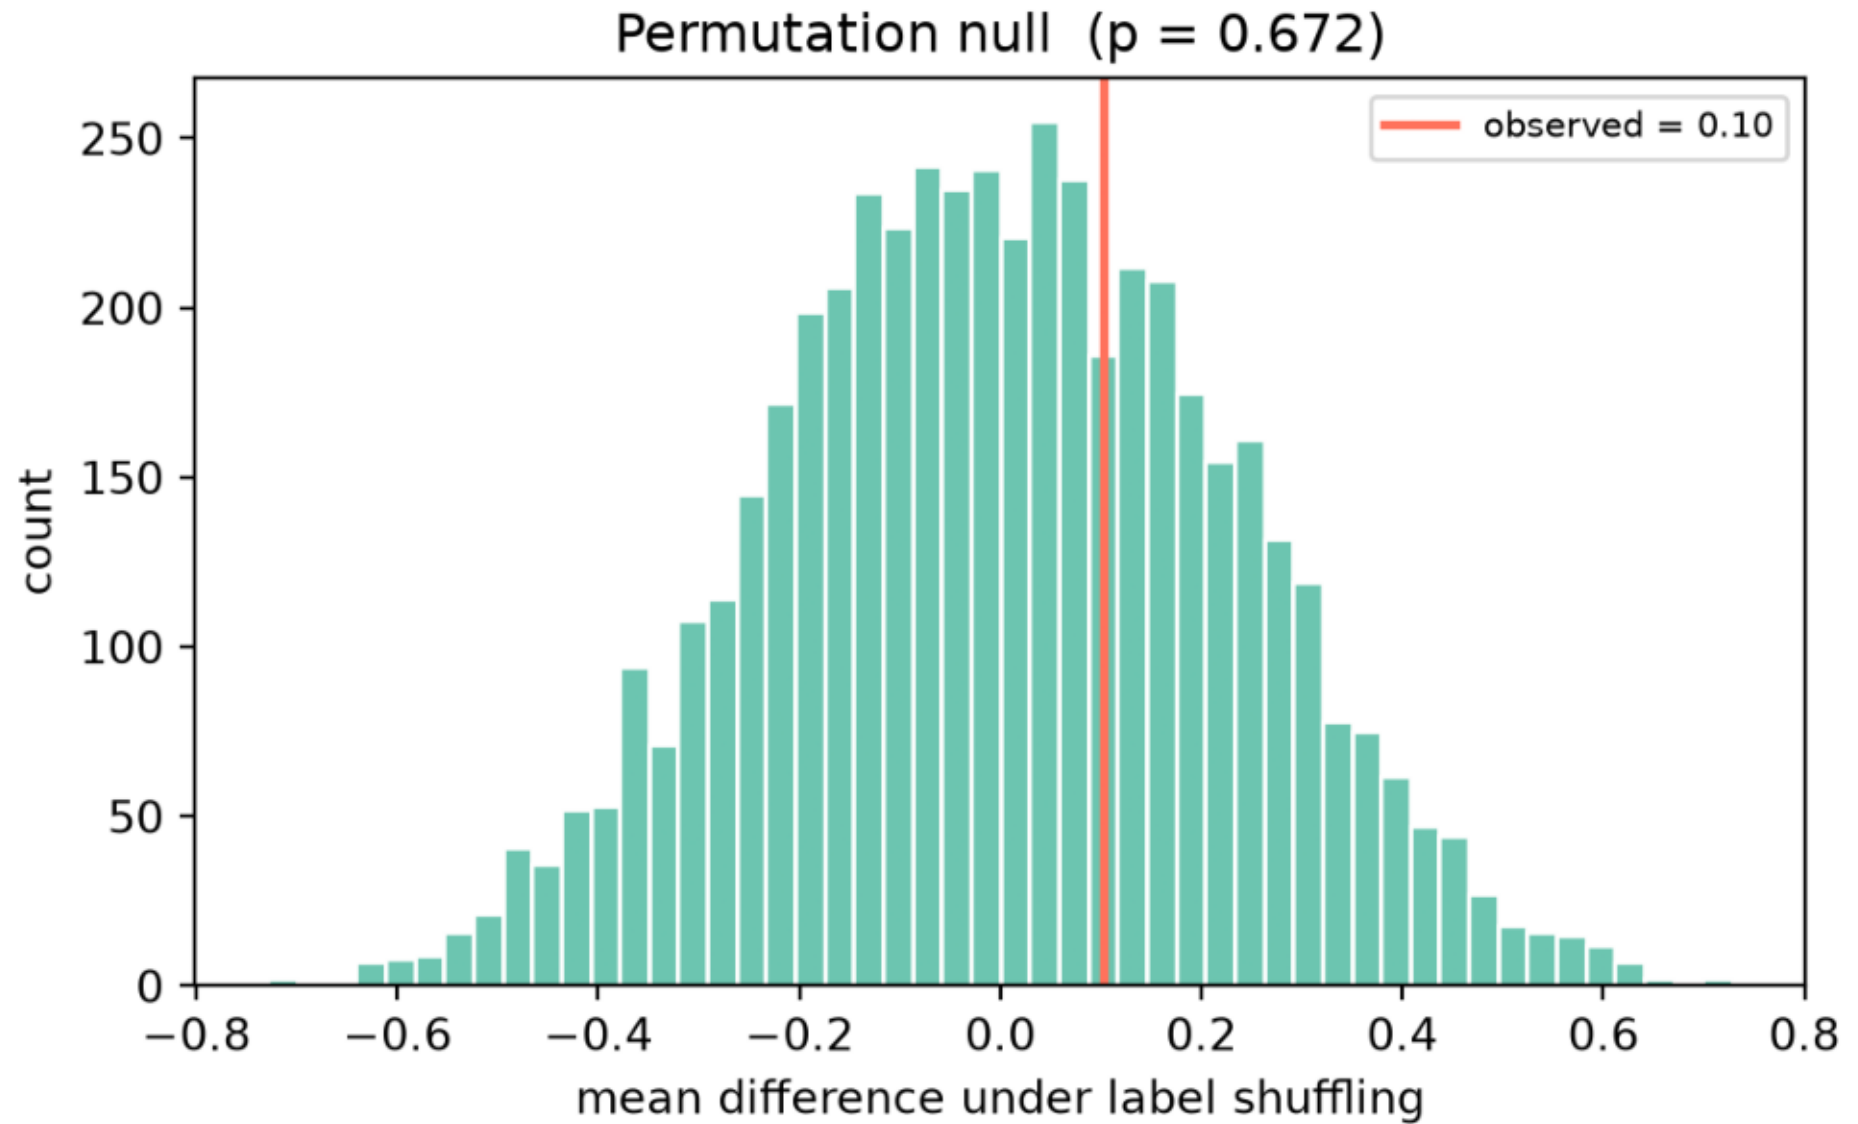

What is the claim? · Who is it for? · What could mislead?

An ROC curve

What is the claim? · Who is it for? · What could mislead?

A permutation test

What is the claim? · Who is it for? · What could mislead?
